

CAREERS NEWSLETTER

Number 10 2011

UNIVERSITY OF AUCKLAND

Engineering Kick Start Scholarships are closing 6 January 2012. These scholarships are a one year award of \$2,000 aimed to assist first year engineering students with the initial set up costs such as textbooks, fees and accommodation. To find out more please visit the website: www.engineering.auckland.ac.nz/kickstart

Accelerated Pathway in Engineering

This enables very able students to complete the four year Bachelor of Engineering (Hons) degree in three years of study. Application packs are available from Careers Dept for students who think they might qualify for this. *Please be aware that the selection process will rely heavily on confidential assessments of student's ability from Yr 13 Calculus, Yr 13 Physics and several other Yr 13 teachers.*

ARMY, NAVY & AIRFORCE

The new website address is www.defencecareers.mil.nz. This new website provides applicants with a good insight into service life in all forces as well as trades that are available across the three forces. For enquiries please call 08001FORCE 0800130723). For students contemplating joining any of the forces in 2012, PLEASE apply NOW. Close off dates will be around Sep/Oct/Nov for applicants in all 3 forces. For some applicants the process can be quite lengthy depending on the individual. The selection process is now so competitive to the point that NCEA Level 1 is no longer strong enough to guarantee a place for selection - regardless of trade. Any trade related qualifications/experience will help as will life skills and team building experiences

IPENZ FOUNDATION SCHOLARSHIPS

(Institute of Professional Engineers New Zealand) offer school leavers in the field of engineering and engineering technology, \$5,000 scholarships (each year) for the purpose of assisting with university costs. Applications close on 10 January 2012. Collect your application form from Careers Dept.
