## SIR GEORGE ELLIOT TERTIARY SCHOLARSHIP

The criteria for these very generous scholarships of \$25,000 each are:

- Balance between academic achievement, and contribution to school and community
- The need for a genuine set of circumstances that warrant the reward of the scholarship

The award will be offered to students achieving academic excellence, who have contributed to the life and fabric of their school and community, despite having faced exceptional challenges because of their family, personal or financial circumstances.

If you think you qualify under these criteria, please give your name to Mr James as soon as possible. The school must nominate students for this scholarship. Nominations close 2 September 2011.
